

FOREST WISE

PURE & WILD COSMETICS COLLECTION

2026 edition

Discover the transformative power of our pure and wild collections. Crafted with the finest ingredients from #RainforestValue, our products offer a luxurious and nourishing experience.

NATURAL SOAP BAR

A natural, palm-free soap bar crafted with a nourishing blend of illipe butter, coconut oil, and kukui nut oil, designed to cleanse gently while leaving skin feeling soft and comfortable. Finished with a bright citronella aroma—fresh, citrusy, and uplifting—for a clean, outdoorsy scent that lingers lightly after every wash.

Original

with charcoal

NATURAL BALM

A multipurpose natural balm formulated with a rich, skin-loving base of illipe butter, castor oil, coconut oil, and natural beeswax to help lock in moisture and protect the skin. Available in two calming aroma variants: Peppermint, offering a fresh, cooling sensation that revitalizes tired skin, and Lavender, with a soft floral scent that soothes and relaxes. Ideal for daily use on lips, hands, cuticles, and dry areas needing extra care.

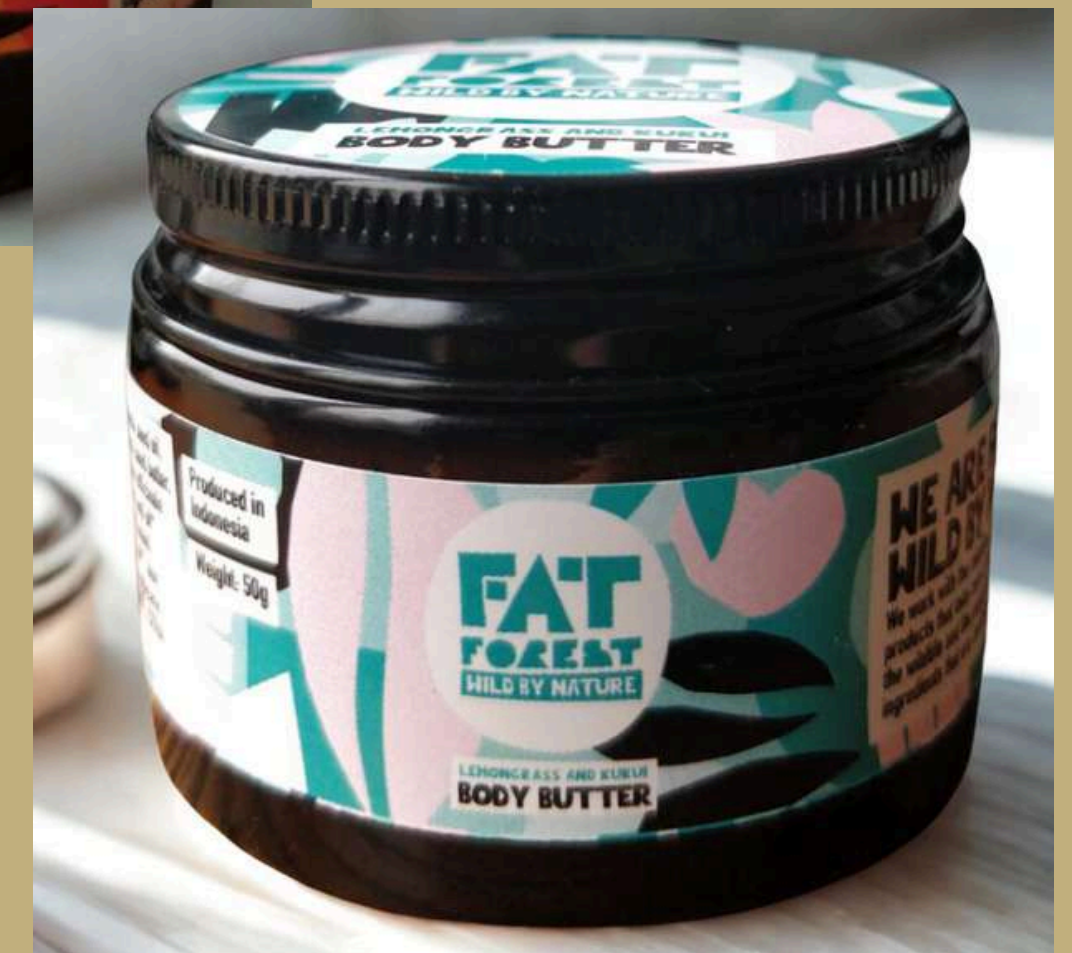

BODY BUTTER

A light, fast-absorbing body butter made with a nourishing blend of wild kukui oil, virgin coconut oil, and wild illipe butter to leave skin feeling silky, comfortable, and deeply moisturized—without heaviness. Available in two uplifting scent blends, each crafted with pure essential oils for a naturally aromatic, mood-boosting finish.

Orange & Kukui:
Bright and energizing essential oils of orange, bergamot, rosemary, and lemongrass.

Lemongrass & Kukui:
Spicy-yet-refreshing cinnamon with essential oils of fennel, lemongrass, cubeb pepper, and ginger
